HALLOWEEN EXPERIENCE

3 NIGHTS EXPERIENCE

This Halloween, we invite you to join us at Malhadinha Nova for a unique experience full of scary but also fun moments! It is believed that the traditions behind what we know today as “Halloween” have started over 2000 years ago, in Ireland. What not many of us know is that the origin of this celebration is the end of summer, and the end of harvests. Celtic populations, traditionally used customs in these religious celebrations to scare away ghosts or spirits that could curse the year’s productions.

Today, Halloween is celebrated worldwide, in a party for people of all ages. This year, we will explore some Halloween traditions from different parts of the world in a three-day programme in the beautiful landscapes of Alentejo, with experiences around gastronomy, wine and nature, with the theme of Halloween always present, but with the charm and attention to detail that are part of Malhadinha Nova’s identity.

We promise a lot of spooky surprises, so join us... if you dare!

MEXICAN HALLOWEEN

DIA DE LOS MUERTOS

DAY 1
FRIDAY, NOVEMBER 1ST

Dia de los Muertos, is an indigenous tradition, celebrated all across Mexico. It is believed that, on this day, family members and loved ones that have passed away return to life to reunite with their families, who in turn prepare a beautiful party in their honour. On the day of your arrival at Malhadinha Nova, we promise to bring all the joy and magic of this party so you can start this experience in the best way possible!

*“Día de Muertos has begun! It’s the one night of the year
our ancestors can come visit us.”*

In Coco

3pm. Arrival at Malhadinha Nova. Start your experience in a terrifying way, with treats prepared by our team of chefs, with ingredients from our property, transformed into skulls, spiders, bats, snakes and a lot of other delicious surprises.

5pm. Discover Malhadinha Nova’s pottery house, in a *Dia de los Muertos* themed workshop, where you will have a chance to use the clay from our land to create scary pottery pieces of your choice. Skulls, pumpkins, spiders... the scarier the better!

Alternatively, for the younger members of the group, our guest experience team will also be available for a T-shirt painting workshop where you will have a chance to create your own scary T-shirt and take it home with you.

8:30pm. Get to know Malhadinha Nova’s restaurant, in a thematic dinner prepared by our team of chefs inspired by Mexican cuisine, but always with all organic ingredients from our estate and the region.

9:30pm. There is no better way to fully understand the true meaning behind *Dia de los Muertos*, than by watching the musical “Coco” – a touching yet joyful story about tradition, passion, family and music... enjoy a cinema evening in our taberna, with warm popcorn and drinks of your choice to either refresh or warm you up on this first night.

IRISH HALLOWEEN

THE ORIGINAL

DAY 2

SATURDAY, NOVEMBER 2ND

We chose to dedicate this second day of our programme to Ireland and to some of the most traditional Halloween activities. Because Malhadinha Nova is also that... tradition and an enormous respect for our roots.

"There is magic in the night when the pumpkins glow by moonlight".

8:30 – 11am. Enjoy Malhadinha Nova's delicious breakfast, prepared with fresh fruit and vegetables from our estate and ingredients from the region all homemade and organic, so you can start the day in the best possible way.

11am. Join us for a tour around Malhadinha Nova, while we take you around the property in our old haunted jeeps. Learn the story behind this family project and all the areas that are part of it, including meeting some of our families of animals that grow in complete freedom in our estate. You will have a chance to visit our winery and learn more about our unique approach to wine production, finishing with a special wine tasting of some of our certificate organic wines at our Taberna.

11:30am. For the younger members of the group, our guest experience team prepared a scary treasure hunt with a lot of surprises and hidden treats around some of the best hiding spots in our property.

12:30pm. For lunch, we prepared a picnic in our vineyard, inspired by Irish cuisine. The menu will be full of the most delicious flavours from this autumn that you will taste in this unique space completely immersed in nature.

3pm. Is it also part of Halloween's traditions, to decorate pumpkins with scary motives. This year at Malhadinha Nova, we bring you a cooking workshop that will be both fun and delicious, as we will teach you how to create your own scary pumpkin, and use its interiors to prepare delicious recipes.

4:30pm. Test your archery skills, in a fun activity for all ages.

8pm. Enjoy a terrifying dinner in our wine cellar, with the light of old chandeliers and a special musical performance to fill your night with magic.

AMERICAN HALLOWEEN

MONSTERS INC.

DAY 3

SUNDAY, NOVEMBER 3RD

Although it is believed that Halloween was originally celebrated in the United Kingdom, the United States are one of the countries that celebrate Halloween the most! On this last day, we took inspiration from the classic “Monsters Inc.”, so you can end this Halloween experience with some (not so) scary monsters!

“We scare because we care.”

Henry J. Waternoose

8:30 – 11am. Start your day with another delicious breakfast with all the colour and flavour from the fresh fruit and vegetables from our land as well as homemade bread and pastries and cheese and charcuterie from the region.

10am. Because not all monsters are scary, our guest experience team will join your breakfast in the form of “Monsters Inc.” characters, with face painting and a lot of entertainment.

10:30am. To end your experience in an adventurous way, we prepared a quad bike and jeep ride around some of the more adventurous tracks in our estate, while you say goodbye to Alentejo’s landscapes and to this Halloween experience.

We hope to see you again very soon, so you can enjoy another unique experience at Malhadinha Nova... an adventure, romantic, gastronomic or thematic one!

The limit is only your imagination!
