LAND OF

EASTER SPECIAL

17TH TO 20TH APRIL . 2025

We invite the whole family to celebrate Easter with us. We have been inspired by the iconic work of global children's literature, "The Wonderful Wizard of Oz" by L. Frank Baum, first published in 1900 and immortalised in cinema with the most famous version from 1939, as well as the more recent adaptation in the musical film "Wicked", which explores the entire imaginary world of the story through the characters of Elphaba [the Wicked Witch of the West] and Glinda [the Good Witch of the North].

This work shares values such as transformation, hope, the journey of life, the reunion with home, and the connection to place, which also align with the fundamental values of Easter and have always been cherished in the imaginations of many families.
