“MAGUSTO”
AT MALHADINHA

3 NIGHT EXPERIENCE

autumn

Celebrate the renewal at Malhadinha

With summer coming to an end, autumn arrives as a representation of a new cycle of life. The falling leaves that decompose on the Earth nourishes the future and brings the guarantee of new crops. Where better than in the countryside to contemplate the golden leaves that begin to flutter and light the first fireplace?

During our 3-night program, we invite you to join us on a journey of reflection and celebration. Enjoy hikes through endless landscapes, participate in activities which honor rural traditions and savour seasonal delights prepared with fresh ingredients from our Estate.

Don't miss this unique opportunity to connect with nature, celebrate the beauty of transformation and renew your energy for the coming winter

"Notice that autumn is more a season of the soul than of nature."

- Carlos Drummond de Andrade
